Showplace Cabinetry Celebrates 25 Years of Excellence and Innovation Announcing a Major Plant Expansion

(HARRISBURG, SD) – Showplace Cabinetry, a leader in the cabinetry industry, proudly announces the celebration of its 25th anniversary. Since its founding on June 21, 1999, Showplace Cabinetry has remained dedicated to delivering high-quality, American-made cabinetry that combines craftsmanship, innovation, and sustainable practices.

Over the past quarter-century, Showplace Cabinetry has grown from a small startup to a nationally recognized brand, providing semi-custom cabinetry solutions to countless homes across the United States. The company's commitment to quality and customer satisfaction has earned it a loyal customer base and numerous industry accolades.

"Reaching this milestone is a testament to the hard work and dedication of our entire team, as well as the trust and support of our customers and partners," said CEO Bill Allen. "We are incredibly proud of what we've accomplished over the past 25 years and are excited about the future as we continue to innovate and grow."

The company will be investing \$25 million over the next two years to expand operations at Showplace's frameless production facility. The plant will grow from 76,800 square feet to over 180,000 square feet, making space for new state-of-the-art equipment and increased production capacity.

Key highlights from Showplace Cabinetry's 25-year journey include:

- **Innovative Designs:** Continuously pushing the boundaries of cabinetry design, Showplace Cabinetry has introduced a range of products that blend functionality with aesthetics, catering to diverse customer needs and preferences.
- **Employee-Owned Excellence:** As an employee-owned company since 2006, Showplace Cabinetry ensures that every team member has a vested interest in the success and quality of the products, fostering a culture of accountability and excellence.
- **Community Engagement:** Showplace Cabinetry takes pride in giving back to the community, supporting local charities, and participating in various community service initiatives.
- **Sustainable Practices:** Showplace Cabinetry is committed to sustainability, using eco-friendly materials and practices to minimize its environmental impact. The company is proud to be certified by the Kitchen Cabinet Manufacturers Association (KCMA) Environmental Stewardship Program.
