Spring 2025

Sponsorship Opportunities

Benefits of Participating

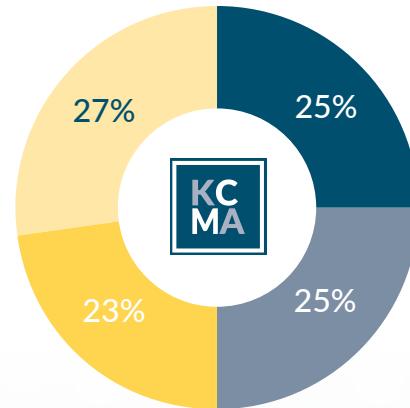

KCMA offers Associate members exclusive opportunities to engage with kitchen cabinet manufacturers. There is no more targeted audience than the KCMA membership. Our community of cabinet manufacturers spans the US and Canada.

Partnering with KCMA gives your company a unique opportunity - and a most cost-effective way - to reach your target audience. Our sponsorship packages offer a variety of benefits, and there are advertising opportunities through our website and newsletter. In addition, we offer the opportunity for Associate members to host webinars for our members on their various areas of expertise and conduct market research directly with manufacturers.
