## **FS BUILDER RESOURCES ACQUIRES LEEDO CABINETS LLC**

### **FS Builder Resources Expands Product Portfolio with Kitchen and Bath Cabinetry**

Dallas, TX, February 6, 2025 - FS Builder Resources, the largest family-owned flooring and interior finishes company in the U.S. has acquired Leedo Cabinets LLC, a top tier quality American cabinet manufacturer. FS Builder Resources' acquisition of Leedo Cabinets expands its product portfolio to include kitchen and bathroom cabinetry. This product expansion gives builders increased value-chain options, reliability, and efficiency.

"Adding Leedo Cabinets to the FS Builder Resources family gives builders a single point of purchase offering greater product choice, material control, and convenience. Leedo Cabinets has been in operation for 54 years and delivers a quality American made product. We are confident FS Builder Resources customers will be excited about selecting kitchen and bath cabinetry for their building projects", said FS Builder Resources COO, Graham Lynch.

"Leedo is uniquely positioned to compliment the FS Builder Resources product offering by expanding the product portfolio to include quality American made kitchen and bath cabinetry and stone countertops. The Leedo Team is excited to be part of the FS Builder Resources Team where we will offer tangible and innovative product solutions for builders in the highly competitive building materials market", said Leedo Cabinets LLC CEO, David Mullis.

Established in 1983, FS Builder Resources (FSBR) corporate office is located in The Colony, TX, just outside Dallas Fort-Worth. FSBR is a family-owned company with over 1,000 employees with operations in Dallas, Houston, Austin, San Antonio, and Odessa, TX, Orlando, FL and Baton Rouge, LA. FS Builder Resources is a well-established, financially stable company who is a highly trusted partner to home builders and trades, built on Integrity, Quality, and Service.

Leedo Cabinets LLC was established in 1971, with over 500 employees, has manufacturing facilities and offices located in East Bernard and El Campo in South Central Texas. Leedo manufactures over 500,000 cabinets annually supporting single-family and multi-family builders and distributor partners across the United States. Leedo is recognized for providing quality, reliable products over its 54-year history in the marketplace.
