For Immediate Release:

Schattdecor North America Welcomes Alex Godzinski as Account Executive - Processed Surfaces

Maryland Heights, MO — Schattdecor North America is pleased to announce the appointment of Alex Godzinski as Account Executive – Processed Surfaces, effective October 1st, 2025. In this role, Alex will focus on strengthening customer relationships and expanding Schattdecor’s business in the Impregnated and Finished Surfaces segment.

Alex brings a strong technical and operational background in surface manufacturing and coatings. Prior to joining Schattdecor, he served as Product Manager Coating at Hans Schmid GmbH & Co. KG, where he oversaw multiple product areas, managed key customer and supplier relationships, and led process improvement initiatives for paper production, impregnation, lacquering, and finishing. Whether it’s the finishing of the product itself or supporting customers during processing, Alex has proven experience with both.

“Alex’s combination of technical expertise and customer-focused experience makes him an excellent addition to our team,” said Philipp Uschold, North American Sales Manager – Finished Surfaces. “His hands-on knowledge of lacquering and impregnation processes, paired with his global perspective, aligns perfectly with Schattdecor’s commitment to innovation and customer partnership.”

A native of Germany, Alex holds a Bachelor of Science in Industrial Engineering from Westfälische Hochschule Bocholt. He previously gained international experience during his internship at Kapstone Charleston Kraft LLC in Charleston, South Carolina. Known for his precision, initiative, and problem-solving mindset, Alex looks forward to contributing to Schattdecor’s continued success in North America.

“Joining Schattdecor is an exciting opportunity to be part of a global team that values quality, innovation, and collaboration. I look forward to working with our customers and colleagues to help advance the Impregnated and Finished Surfaces segment,” Alex adds.

Schattdecor is delighted to welcome Alex to the North American team and looks forward to his contributions to the company’s growing Finished Surfaces portfolio.
