

KCMA MEMBER BENEFITS

The moment you become a KCMA member, you gain access to benefits found nowhere else. Information. Education. Networking. Visibility. Advocacy. Tools and opportunities to build your business and advance our industry. **That's the KCMA advantage.**

MARKET INTELLIGENCE:

LEVERAGE ESSENTIAL DATA

Get critical industry information that's only available to KCMA members — and get a competitive edge. Your membership unlocks access to exclusive reports like these:

- **Trend of Business Report**
- **Wage and Labor: Compensation**
- **Wage and Labor: Benefits**
- **Income and Expense Survey**
- **Safety Survey**
- **Product Trends Survey**

EDUCATION AND LEADERSHIP:

LEARN AND TEACH

Experience members-only access to learning and professional resources:

LIVE WEBINARS

Experience and participate in presentations and group discussions in real time.

ON-DEMAND WEBINARS

Get instant access to dozens of discussions covering important industry trends and topics.

KCMA COMMITTEES

Join one or more KCMA committees to share knowledge and shape our industry's future.

NETWORKING AND EVENTS:

CONNECT AND DISCOVER

Gain knowledge, share what you've learned, and advance our industry:

- Attend members-only in-person and virtual events throughout the year, including our annual plant tours.
- Join KCMA committees and help chart the course of our organization.
- Get direct access to more than 300 other member companies to share insights, get advice, solve challenges and explore opportunities.

VISIBILITY AND RECOGNITION:

BE SEEN AND CELEBRATED

KCMA members get the advantage of worldwide visibility on the KCMA website:

- Potential customers can search for cabinet manufacturers in our **Find a Manufacturer** directory.
- Cabinet manufacturer innovations and milestones are promoted in our **Members in the News** section.

ADVOCACY AND REPRESENTATION:

MAKE YOUR VOICE HEARD

KCMA fights for fair and sensible trade practices and legislative policies that are critical to our members' businesses. Our leadership:

- Works with the American Kitchen Cabinet Alliance to combat unfair foreign trade practices.
- Champions the domestic cabinet industry on Capitol Hill, working with legislators and key agencies to ensure sound policy implementation.
- Participates in industry coalitions on trade, environmental policy and regulatory issues.

Get the **KCMA Advantage**

Join an elite group of cabinet professionals who use KCMA membership benefits to work smarter, grow their operations and protect our industry.
